## **DEPARTMENT OF MIZO**

1. **PROGRAMME OUTCOMES** : The undergraduate course - Bachelor of Arts in Mizo Department is designed in order to instill into the minds of the students the knowledge and understanding of Literature in general and Mizo literature and cultural knowledge in particular.

2. **PROGRAMME SPECIFIC OUTCOMES** : Bachelor of Arts (Mizo) degree programme covers a vast area of information regarding the Mizo literature, Mizo customs and cultural heritage and customs as well as English literature. The students are expected to be acquainted with the knowledge of the Mizo traditions and English literature. After finishing undergraduate course, they will surely get interested in literature and indulge in the promotion and propagation of Mizo and English language and literature.

3. **COURSE OUTCOMES** : Bachelor of Arts (Mizo) course is quite beneficial for the students to help them look into the literary studies of the Mizo literature as well as English literature. An analysis of the course may be shown as under -

a) In the First Semester, the syllabus covers Poetry including Mizo folksongs, Mizo love songs, Patriotic songs, Epic poem and Contemporary Mizo Devotional Songs. This greatly helps them in acquiring the knowledge of Mizo folk literature, Mizo history and traditional culture hidden in folksongs for future research activities and other Mizo songs. They have been encouraged to compose songs on their own for internal evaluation.

b) In the Second Semester, 4 dramas are selected for the course which include 2 dramas written by Mizo playwrights and 2 English dramas translated in Mizo language. While learning the stories, the students were taught the dramatic devices, techniques, etc. which will help them get more interested in dramas and be able to write plays with the help of these techniques. The students were given a task to write any plays which was evaluated and given marks accordingly.

c) In the Third Semester, those students who choose to opt Mizo language as Modern Indian Language learnt Introduction to Mizo Language and Literature which consist of Mizo contemporary folksongs, love songs and devotional songs written in Mizo. One play was also

included in their course which was written by a Mizo playwright. This course undoubtedly helps even those students who do not choose Mizo as core subjects the chance to know and learn Mizo folksongs and plays. Understanding the Mizo poem and songs and a play written by Mizo playwright greatly help them to acquire an opportunity to study and getting more interested in literature. Besides learning MIL in Mizo, those who opt Mizo paper learn another paper consisting of 4 Mizo fictions written by the Mizo themselves. This paper is taught in order to understand the technique of writing fictions besides enjoying the stories. Students come to know the Mizo culture and tradition through these novels and they were encourage to write novels by themselves.

d) In the Fourth Semester, 10 essays written by Mizos were included in the course. Technique and style of writing essay, meaning of essays, studying and criticising essays have been taught. They were encouraged to write essays on any subjects which cause a positive results and many Mizo subject students wrote articles and essays in the College magazines as well as local magazines and souvenirs.

e) In the Fifth Semester, the students were confined to Mizo subjects only. Their course consist of - Theory of Literature, Selected English Poems, Drama-II and Prose Writings. They were taught to get indepth knowledge on the History of Literature, Mizo customs and ceremonies, English poetry, English dramas, etc. The syllabus is made to get more specific knowledge on literature than other Core students.

f) In the Sixth Semester, their course consist of - History of Mizo Literature, Fiction-II, Mizo Language and Grammar and Selected English Prose. The knowledge of Language and Grammar written in Mizo, the progress and development of Mizo literature, Mizo fictions and English prose greatly help them to widen their creative minds and train them to know much about literary world. Building them to become an expert in Mizo grammar helps them to write correctly in Mizo scripture and learn the style of English literary pieces. These knowledge lift them to pursue higher studies in Mizo subjects in the Universities. Many of our students wrote books and participate in literary events and some of them were employed as Mizo subject teachers in elementary, high school, higher secondary schools and colleges till now.

22. They develop familiarity with the evolution of educational thought through the ages in different important societies and in global perspective.
23. The students have practical experience of applying the knowledge gained in theoretical papers through project work.

## **DEPARTMENT OF ECONOMICS**

Course no: Eco/1/CC/01 Credit: 6

Course name: MICROECONOMICS - I

Course Objectives : The course introduces key concepts in Microeconomics

Course Outcome : At the end of the course, the learners will be able to understand the basic principles underlying market mechanism-how the forces of demand and supply brings equilibrium in the market for goods and services.

Course no Eco/1/CC/02 Credit: 6

Course name: MICROECONOMICS -II

Course Objectives : The course introduces key concepts in Microeconomics

Course Outcome : The learners will understand how factor market works and the basic tools in welfare economics and trade theories.

Course no : Eco/1/CC/03 Credit: 6

Course name: MACROECONOMICS - I

Course Objectives : Explain the process of calculating national income and its components, its fluctuations and the various theories behind consumption, investment and other business cycles.

Course Outcome : At the end of the course, the learner will be able to assess the workings of the economy and the role of investment and money.

Course no Eco/ICC/04 Credit: 6

Course name: MACROECONOMICS - II

Course Objectives : To explain the role of money and banking in the economy.

Course Outcome : At the end of the course, the learner will be able to understand fluctuations in the economy and models of economic growth.

Course no; Eco/1/CC/05 Credit: 6

Course name: INDIAN ECONOMY

Course Objectives : To introduce the basic features of Indian economy

Course Outcome : At the end of the course, the learner will understand the performance of Indian economy.

Course no: Eco/I/CC/06 Credit: 6

Course name: PUBLIC FINANCE

Course Objectives : To introduce the role of fiscal policy in economic stabilisation, distribution and Development.

Course Outcome : The learner at the end of the course, will be able to follow the role and significance of public expenditure, taxation and public debt in the economy.

Course no Eco/1/CC/07 Credit: 6

Course name: QUANTITATIVE TECHNIQUES-I

Course Objectives : To provide basic mathematical tools for economic analysis

Course Outcome: Interpret and analyze economic data using mathematical tools

Course no Eco/1/CC/8A Credit: 6

Course name: AGRICULTURE ECONOMICS

Course Objectives : To explain the role and performance of agriculture in the development process

Course Outcome : Be able to understand the role of agrarian relation, land reforms and technological change in agriculture development

Course no Eco/1/CC/8B Credit: 6

Course name: INDUSTRIAL ECONOMICS

Course Objectives : To explain basic concepts and issues in industrial economics

Course Outcome : The learners will be able to understand the role in industrial sectors in the economy Course

Course no Eco/1/CC/8C Credit: 6

Course name: ECONOMIC DEVELOPMENT & PLANNING

Course Objectives : To explain theories and approaches of economic development and role of planning

Course Outcome : The learners will be able to understand the dynamic interplay of various forces in understanding the development process

Course no: Eco/1/CC/8D Credit: 6

Course name: MATHEMATICAL ECONOMICS-I

Course Objectives : To provide basic mathematical tools for economic Course Outcome

Course Outcome : analysis Interpret and analyse economic data using mathematical tools

Course no: Eco/I/CC/9 Credit: 6

Course name: ENVIRONMENTAL ECONOMICS

Course Objectives : The course aims to provide fundamental concepts in environmental economics

Course Outcome : At the end of the course, the learners will be able to understand economy environmental linkages

Course no: Ecol/CC10 Credit: 6

Course name: QUANTITATIVE TECHNIQUES - II

Course Objectives: Introduce quantitative methods in economics analysis

Course Outcome : Define and understand applications of quantitative methods

Course no Eco/I/CC/11 Credit: 6

Course name: FINANCIAL INSTITUTIONS AND MARKETS

Course Objectives : To introduce basic concepts relating to financial institutions and markets

Course Outcome : Be able to understand working and performance of various segments of financial sectors

Course no Eco/I/CC/I2A Credit 6

Course name: HISTORY OF ECONOMIC THOUGHT

Course Objectives : Provide the learners an overview of the history of economic thought

Course Outcome : The learners will appreciate the historical background of various economic thoughts.

Course no Eco/I/CC/I2B Credit 6

Course name: INTERNATIONAL TRADE

Course Objectives : To provide theories of trade and gains from trade and role of protection and the pattern of India's trade

Course Outcome : Be able to understand impacts of protection in trade and liberalization of trade measures

Course no Eco/I/CC/I2C Credit 6

Course name: HISTORY OF ECONOMETRICS

Course Objectives : To give broad overview of basic concepts in econometrics anal

Course Outcome : Demonstrate an understanding of key econometric concepts and theories

Course no Eco/I/CC/I2D Credit 6

Course name: MATHEMATICAL ECONOMICS

Course Objectives : To provide basic mathematical tools for economic analysis

Course Outcome : Interpret and analyse economic data using mathematical tools

## **DEPARTMENT OF HISTORY**

The Outcomes of UG Course, B. A. in History

At the completion of B. A. in History the students are able to:

- (i) Understand the basic themes, concepts, chronology and the Scope of Indian History.
- (ii) Be Acquaint with the range of issues related Indian History and its distinctive eras.
