Yes

Great

Our department is a bit slow compared to other department but their teaching skills was good enough for us

Excellent

Our department was good in everything which about lecture or relationship between teachers and students and student to students

I think this department in our professors really care about their students in their education they always try to help the students in their capabilities. The relationship between the department in our classroom with the professor and the students is also good.

Awesome

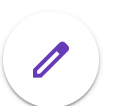

They are all so good and lovely and they know and teach us the way we are

Our education teachers are very good and they care student understanding her lessons. They help her student problem to solve and our teachers and student have good relationship..

I am satisfied with the teacher teaching methods and other activities and programme

I don't have opinion

Niceeee

Dept.of Education,,in my core subject,to all professors are very very good conduct in all activities,,means classroom teaching,study tour, farewell and others activities 😊..And all professors and students relationship are so good 👍👍

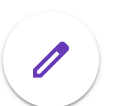

We have a good teachers and we learn a good and easy understanding in topics

Its good

The teachers an student relationship also good ,, and our department teachers they take care their student ,, good enough..

Excellent

Pretty good

Excellent performance from the teachers

It is very good, teacher are the best

i appreciate all the view of teacher.

Its great...all the students ang teachers have a good relationship which of course is good for everyone...being an economics students i think that our techers are one the best, they are not inferior to those of any other teachers...but i think one problem is that we,the students relied too much on teachers note....the economics department class romm itself is like a home....thank you....long live gjc

Our learning method was so good in this time .But, we need develoment in everthing

I was pleased with our professor teaching and they were regular in the class, I'm pretty sure that i will reach a high level in my study's under our professor guidance

Economics department is a good

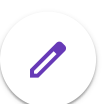

For economic students , teachers were good enough

I think offline mode is way better than online, and I have to do betterment

so far so good.

Good question

Excellent

Everything's good.

Superb

Best department to be sure... All the lecturers are fully capable of solving most of our doubts...
And the relationship between us is like a mother and a child.

The teachers interact with the students very well. Class is fun!

Fine with me

Our college is good

Be careful roll call

Govt. Johnson College is the best institution, and thank you for all guiding and caring to all professors and staff, and the principal Prof. K. Vanlalmawia

We have good teachers and we learnt an easy understanding in the lesson

Need more classroom for students.

We need more regular class

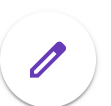

Refreshing

Our college is good and I enjoy, in my point of view our principal and all teachers are careful.

Lecturer need to be supportive

No feedback from me it's good enough

Keep going

The college may serve fair SU election

All the situations looks excellence..
