7 Notes (Optional)

The various activities contribute to the enhancement of the employability of the students.

Best Practice-2

1 Value Based Education on Social Responsibility

2 Goal

Value Based Education on Social Responsibility is implemented in the College for the development of the students towards wholesome adults. The College aims to mould moralistic and responsible men and women who are deeply rooted in traditional value of *tlawmngaihna* that may be manifested in the following ways ; selflessness, helpfulness, self sacrifice, charity work etc. The College therefore, in order to promote *tlawmngaihna*, propagates Value Based Education on Social Responsibility through the following activities; Blood Donation, NSS, NCC and College Cultural Club.

3 The Context

Since Value Based Education on Social Responsibility is an ongoing process it implements similar activities of the preceding years to mould the students towards social responsibilities. Therefore, student groups like NCC, NSS, Adventure Club, Cultural Club and others within the College participate in the activities undertaken. The empowerment of students to perform tasks that concern varieties of activities that have impact on the society, and to be responsive during emergencies is the trust of this Best Practice. The Mizo moral ideal of *tlawmngaihna* is imparted to the students through the activities organized for the students and faculty members.
