Dear Govt. Johnson College

**Subject: Message of Appreciation to Partners of the 2nd Asia and the Pacific Youth Symposium**

On behalf of the Asian Development Bank (ADB), I would like to send this letter of appreciation to your organization for working with ADB in meaningfully engaging young people towards the realization of its vision of a prosperous, inclusive, resilient, and sustainable Asia and the Pacific.

The 2<sup>nd</sup> Asia and the Pacific Youth Symposium would not be complete without your support. We hope to count on this same support while we continue to work together in meaningfully engaging young people. I am also excited to share with you all the recap video of the symposium to take a look back on the journey we had undertaken in the past months.

You may access the video here: <https://youtu.be/N-q8g5pAoyA>

As we work with governments, young leaders, and other stakeholders in facilitating intergenerational dialogues on Meaningful Youth Engagement (MYE) and discussing major and emerging issues in the region, it is my hope that your organization will continue to support us and forward your own initiatives towards the cause.

Yours sincerely,
